COMMENTS ON EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

COMMISSIONER FOR PATENTS
ALEXANDRIA, VIRGINIA 22313

SIR:

In reply to the Notice of Allowance of November 16, 2006, applicants provide the following comments.

The Examiner's reasons for allowance, on page 13, prenumbered paragraph 7, state:

The closest prior art, Deguchi (U.S. Patent No. 6,578,047) disclosing searching broadcasted contents based on time information stored in a portable device, fails to suggest the claimed limitations as mentioned above in combination with other claimed elements.

In reply applicants note that Deguchi is not in fact prior art against the claims, and thus that statement that Deguchi is the closest prior art is believed to be inaccurate. As noted in the Response filed August 23, 2006 Deguchi has a common assignee with the instant application and the invention disclosed but not claimed in Deguchi was derived from the inventors of the present application, and thus is not an invention "by another". Under these

Application No. 10/695,636
Reply to Notice of Allowance of November 16, 2006

circumstances applicants submit Deguchi is therefore not in fact prior art against the present application, and thus the Comments on Reasons for Allowance are inaccurate.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
